How to Enter

There are two ways to enter this contest.

Method 1: Online Entry. Log in to a 55 Rush contest site with your 55 Rush account or create a new Fanpass account. To create a new Fanpass account you must provide a valid email, choose a password, and then provide your full name, birth date, and home postal code. You must also agree to receive emails from Fanpass but you may unsubscribe at any time without affecting your entry or odds of winning.

Complete the contest entry form for the prize you want to enter and click enter to agree to the contest rules. You will receive one entry.

Method 2: Mail-In Entry. Write your full name, email address, phone number, complete mailing address including postal code, and signature on a plain white piece of paper no larger than 8.5 by 11 inches. Mail it in an envelope with sufficient postage to Contest Administrator, Fanpass, 300-174 Spadina Ave. Toronto, ON, M5T 2C2. Write "Chance to win 2 passes to Stella Lefty" in the attention line. You will receive one entry.

Entry Restrictions: You can only register once for this contest, regardless of which method you use. Each person gets only one account and one set of entries. Using multiple names, email addresses, or accounts to enter more than once is not allowed and may result in all of your entries being disqualified.

Extra Entries

You can earn up to 2,000 extra entries by completing specific actions during the contest period. These actions may include following social media accounts, sharing contest information, visiting websites, watching videos, completing surveys, or other activities posted on the contest website. Each completed action will award a specific number of extra entries.

If you prefer not to complete online actions, you can earn all available extra entries by mailing a request using the same format as the mail-in entry, but writing "Extra Entries" in the attention line instead.

Maximum Total Entries: You may not combine mail-in and online bonus entry methods. Each person is eligible for a maximum of 2,001 total entries, regardless of entry method.

How Winners Are Selected

On November 05, 2026 at 2:00 p.m. Eastern Time in Toronto, we will randomly draw one entry from all eligible entries received during the contest period. The person who owns the selected entry, and who is otherwise eligible to win, will be the selected winner subject to verification and compliance with these rules.

Your odds of winning depend on the number of entries you earn compared to the total number of eligible entries we receive.

Winner Verification Process

We will try to contact the potential winner by email within 24 hours of the draw. We’re not responsible if our email doesn’t reach you due to spam filters, security settings, or if your contact details are incorrect or outdated.

If we can't contact you, you don't claim the prize within 24 hours of notification, you don't correctly answer our math question, or you don't return the required forms, you'll be disqualified and we'll have the option to pick a new winner.

To be declared the winner, you must:

Correctly answer a math skill-testing question without any help.

Sign and return a legal release form within 24 hours of notification that confirms you followed the rules, accepts the prize as awarded, and lets us use your name and image for publicity.

If you're under the age of majority in your province or territory, your parent or legal guardian must give written permission for you to win and receive the prize, and must also sign the required paperwork.
